CODE{C}

RULES & GUIDELINES

- Participants must report on time and strictly adhere to the event schedule.
- Carrying a valid college ID card always is mandatory.
- Each team shall consist of exactly three (3) members; any deviation will result in disqualification.
- Teams must work only on the assigned problem statement.
- Teams must bring their own laptops with all required software pre-installed.
- Internet access will be provided by the organizers.
- Use of AI tools is strictly prohibited during Round 1.
- A functional MVP must be developed within the designated development round (Round 2).
- Any form of plagiarism or copying will result in immediate disqualification.
- Projects must be demo-ready at the end of the development and testing rounds.
- A live demonstration of the working prototype is mandatory in the final round.
- Final evaluation will be based on innovation, execution, feasibility, and presentation quality.
- The decision of the judges shall be final and binding.
